

Paper Submissions form: The executive has agreed that a standard format for the submission of paper offers should be adopted, that the length of submissions should preferably be limited to 2 pages; and that in future it will be compulsory to use the standard format for submitting papers. The new format is set out below.

**New Zealand Grassland Association**

**Submission for Conference Papers**

**Title**

**Authors**

**Corresponding author**

**Address**

**E mail**

**Fax**

**Phone**

**Preferred conference topic area**

**Preferred form of presentation (spoken or poster)**

**Background** (why did you carry out the research, apply the technology?)

**Approach** (what was the hypothesis to be tested or objective to be achieved, what treatments were applied, methodology used including duration?)

**Results** (what were the main findings and how did they relate to the original hypothesis/objective?)

**Conclusions** (what could you conclude from the results?)

**Practical implications of conclusions** (how could they be applied in practice, what recommendations can be made from them?)

**Organisational approval** (have you received permission from your employing organisation to submit this paper?)
